

# THE BRIGHT IDEA

## FACILITY LIGHTING

Having fully functional facility lighting is imperative for the overall safety and security of your clients and community. We help your business stay up and running with minimal downtime due to outages or obstructions.

### SAVE MONEY

See a ROI when you convert to LED.

### STAY SAFE

Proper lighting means better security.

### BE POLISHED

Cleanings will help the life of your lighting.

### STRESS LESS

Let the experts handle your needs.

## DID YOU KNOW?

When wildlife makes a home of your business, it can become quite a hassle! Many business owners and managers struggle with bird nesting, bird droppings and other various wildlife issues. At SignPlex, we keep your lights clean and nest-free.

## ABOUT US

We are a family-owned and managed company with a mission to provide top notch customer service and use only the highest quality state-of-the-art materials. SignPlex was born as the graphic division of New Mexico Fleet Design which began in 2002 as a one-stop repair facility for the commercial fleet industry. In 2011, SignPlex branched off into its own division and has grown every year.

As an attribute to our success, we invest heavily in employee culture. Our core focus is to bring success to our employees, clients, community and vendors.
